## TRAINING OFFER LETTER

March 14, 2026

Nagabhushana Raju. S,

**Greetings from Vtech Integrated Solutions.**

We are happy to offer the role of **"SOFTWARE TRAINEE"**

Congratulations on getting selected for the software training program by the process of H.T.D model of Placement drive Activity held with **Maharaja Institute of Technology Mysore**, we are glad to Onboard based on the subsequent process. The Training program is designed to provide technical stack knowledge on niche technologies based on job requirements from our various clients & MNCs in the field of IT.

**Below are the Terms & Conditions for the role offered, we request you read them thoroughly**

- 1.Candidates can opt for **Data Analytics** as selected during the placement drive.
- 2.We are starting your training in the month of April, date and timings will let you know shortly.
- 3.You are expected to join on the mentioned date, which will be communicated in a separate mail, failing to join will void the offer.
- 4.The training program would be Online/Offline based on the current situation.
- 5.The Training schedule will be based on Criteria and availability decided by the organization.
- 6.Training will include Placement Activities, Career Guidance, Technical Aptitude, and Client interview preparation.
- 7.The organization reserves the right to expel from the training program based on the code of conduct.
- 8.A laptop/PC is mandatory for training and needs to be bare by an individual.
- 9.The organization will provide client interviews and placements if meeting 90% of attendance during the entire training program and based on the internal screening process.
10. Certificate will be provided on completion of Training from Vtech Integrated Solutions.
